Introduction

This document describes the features and functionality of the BIGCenter 17.12.2 release. Enhancements have been delivered for the Leases workspace. Additionally, this document contains a schedule for the 2018 BIGCenter releases.

Ideas for improving BIGCenter

We invite you to submit enhancement requests on [the BIGCenter Ideas page](#), visible to both internal Accruent employees and Support Contacts for other BIGCenter customers. You can now vote for or against these ideas, add or respond to comments, and view the status of all ideas.

This direct feedback allows Accruent to gain visibility into what is meaningful to customers. Product Management actively monitors the Ideas board, adds comments, and updates the status of ideas as needed.

Please contact BIGCenter Support for any questions about Ideas.

Lease Groups Functionality Now in Upgraded BIGCenter

The Legacy **Lease Groups** functionality is now live in the **Leases** workspace. Lease groups are user-defined systems of categorization that can be used in reports or filters. You can assign a lease to a lease group when you create the lease, or you can assign the lease group when editing the **Summary** detail section. Lease groups can be created, renamed, or deleted on the Legacy **Portfolio Center > Admin > Lease Groups** page.

Summary of Issues Fixed and Additional Enhancements

Component	Summary
Leases	<p>Issue: In the Leases workspace > Income & Expenses detail section > View Cost Detail action dialog > Manage Cost Schedule detail section, the Manage View action toggle would not open unless you first opened the Manage Cost Allocation detail section and then returned to the Manage Cost Schedule detail section.</p> <p>Resolution: The Manage View action toggle now opens as expected after edits have been made to a line item in the Manage Cost Schedule detail section of the View Cost Detail action dialog.</p>
Leases	<p>Issue: Commas were not appearing in numbers greater than 1,000 In the Occupied Area section of the Summary detail section.</p> <p>Resolution: Thousand commas now display as expected.</p>
Leases	<p>Issue: The Rent Start Date field was not appearing in the upgraded version of BIGCenter.</p> <p>Resolution: The Rent Start Date field now appears in both the Legacy software and the upgraded version.</p>
