### Summary of Issues Fixed and Additional Enhancements

Component	Summary
Leases / Equipment Lease	Custom Fields now appear on the lease abstract for leases and equipment leases.
Leases	<p><b>Issue:</b> The full amount of the Operating Expenses (OPEX) was being deducted from all costs in a pay period, regardless of whether or not the cost was prorated.</p> <p><b>Resolution:</b> The correct portion of OPEX is deducted from each cost in a period.</p>
Leases	A new object attribute has been created: LEASE/REQUIRE_DIRECT_COST_DATE_PAID . This object attribute ensures the date fields for direct costs on an accounting entry are always required.
