Introduction

This document describes the features and functionality of the BIGCenter 19.01.1 release. Enhancements and fixes have been delivered for the **Leases** workspace, the **Portfolio Center**, and **Report Center**.

Ideas for improving BIGCenter

We invite you to submit enhancement requests on the BIGCenter Ideas page, visible to both internal Accruent employees and Support Contacts for other BIGCenter customers. You can now vote for or against these ideas, add or respond to comments, and view the status of all ideas.

This direct feedback allows Accruent to gain visibility into what is meaningful to customers. Product Management actively monitors the Ideas board, adds comments, and updates the status of ideas as needed.

Please contact BIGCenter Support for any questions about Ideas.

Summary of issues fixed and additional enhancements

Component	Summary
Leases	• The **Published Date** field now provides a date stamp when the **Published** flag is set to **Yes**. • The **Published By** field now populates with the user's name when the **Published** flag is set to **Yes**. **Note:** These fields do not appear in the **Leases** workspace, but they do appear in some reports.
Leases	**Issue:** When clicking the **Save** button after creating a new lease, the system did not appear to save the lease. However, the lease later appeared in the system. **Resolution:** Leases can be created as expected.
Leases	**Issue:** Users should have been able to enter up to 6 decimal places in the **Discount Rate** field, but the system only allowed 2 decimal places. **Resolution:** The system now allows users to enter up to 6 decimal places in the **Discount Rate** field.
Leases	**Issue:** Changing the value in the **Lease Notification** drop-down menu from **No Later Than** to **N/A** in the **Options** detail section made it so some clients could not manage activity records. **Resolution:** Changing the value in the **Lease Notification** drop-down menu from **No Later Than** to **N/A** in the **Options** detail section no longer causes issues in the **Activities** detail section.
Portfolio Center	**Issue:** Previously, there was a 1,000 cap on how many recurring invoices could be created at the same time. **Resolution:** The cap has been removed.
Report Center	Transaction custom fields are now available to add to a report in **Report Center**.

Component	Summary
Report Center	**Issue:** Some clients were unable to run the **Action** report. **Resolution:** The **Action** report runs as expected.
