Introduction

This document describes the features and functionality of the BIGCenter 19.08.2 release. An enhancement has been delivered for the **Lease Invoice** workspace.

Ideas for improving BIGCenter

We invite you to submit enhancement requests on the BIGCenter Ideas page, visible to both internal Accruent employees and Support Contacts for other BIGCenter customers. You can now vote for or against these ideas, add or respond to comments, and view the status of all ideas.

This direct feedback allows Accruent to gain visibility into what is meaningful to customers. Product Management actively monitors the Ideas board, adds comments, and updates the status of ideas as needed.

Please contact BIGCenter Support for any questions about Ideas.
