# Release information

**Release Version:** 20.05.2

**Date of Release:** June 11, 2020

## Introduction

This document describes the features and functionality of the BIGCenter 20.05.2 release. Enhancements and fixes have been delivered to **Online Help**.

## Online Help updates

The following section describes updates to the Online Help.

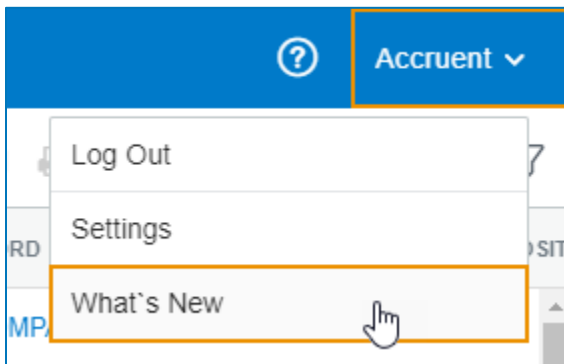

### Release Notes now accessible from header menu

You can now access BIGCenter release notes using the menu in the header bar of the upgraded BIGCenter.

To view BIGCenter release notes:

1. Log into the upgraded BIGCenter.
2. Click the menu in the upper-right corner of the page.  
The menu opens.
3. Select **What's New** from the menu.

The **Online Help** opens to the **What's New** page. You can access the product release notes from this page.

### Look and feel of Online Help updated

You may recall that in July of 2018, Accruent was acquired by Fortive. As a part of this acquisition, Fortive is standardizing the branding of its products across the board. The look of the Online Help has been updated to match this branding.
